(check-related debit entries)

For pre-authorized entries, three banking days advance notice prior to the expected transfer date of the debit entry is required to implement the stop payment request. If the stop payment order is received within three banking days of the expected transfer date, MariSol Federal Credit Union will attempt to satisfy the request of the account holder, but will not be held liable if sufficient time was not provided. \_\_\_\_\_(initial here).

For all other ACH entries, the stop payment request must be provided to MariSol Federal Credit Union in a timeframe that allows reasonable opportunity for us to act on the request prior to acting on the ACH entry.

Please indicate your specific choice for stopping payment from the Originating Company named above by checking the appropriate box:

- I wish to stop the next payment only (Future entries from this Originator are to be paid, unless I provide you with an additional stop payment order.)
- I wish to stop a series of payments. Identify the payment dates, or months, of the specific payments from the Originator you wish stopped: \_\_\_\_\_
- I wish to stop all future payments from this Originator indefinitely.
- I have terminated my authorization with this Originator. (Note: you will be required to complete a Written Statement of Unauthorized Debit prior to the re-crediting of your account for any transactions already posted that you wish returned).

If you designated a stop of the next payment only, the stop payment order will remain in effect until the earlier of (1) the return of the debit entry, (2) the withdrawal of the stop payment order by you or, if applicable, another authorized account holder for the designated account.

The account holder also understands that it is necessary to provide the correct information related to the transaction, and that failure to do so may result in the payment of the above entry(ies). The account holder agrees to hold harmless and indemnify MariSol Federal Credit Union for all expenses, costs, and damages, including attorneys' fees and costs, incurred by payment of the above item if such payment is the result of failure of the account holder to meet the time requirements noted above, or if such payment is the result of failure of the account holder to furnish any item of information requested above completely, accurately, and correctly.
