Annual Meeting – Board Elections:

The Nominating Committee of MariSol Federal Credit Union is pleased to announce the 2019 candidates for election to the Board of Directors for three-year terms.

- **John Werbach** – I have been the Financial Manager of the Maricopa County Library District since January 1998. Joining MariSol Federal Credit Union in 2005, I have served as a member of the Supervisory Committee, as Chairman of the Supervisory Committee, Board Director and now for the last three years, Board Chairman. I have enjoyed serving the members of MariSol. I would like to continue to serve our members on the board and do my best to help guide MariSol forward in meeting the needs of its growing membership.
- **Ken Stahl** – I am currently serving on the Board, having served prior on the Supervisory Committee. I have been a member of the Credit Union since February of 2000. Our MariSol is members helping members. I want to help by sharing my 37 plus years of financial experience from Maricopa County Finance and Elections departments with the Credit Union. I look forward to serving you on the Board.
- **Jessica Bueno** – I have been on the Advisory Committee since 2017. As a resident of the Oakland neighborhood (where MariSol is located) it has been a privilege to provide input to the different event opportunities available to reach new members. I am very proud to serve Grand Avenue and the Capital Mall District Neighborhoods by providing leadership for these communities to excel. My employment at Phoenix Revitalization Corporation allows me to implement community development projects mostly in underserved communities. Because of the time I spend serving multiple communities in Phoenix I believe that perspective could provide great benefit to the Board of Directors. Additionally, as a small business owner, I have experience up scaling business production.
