Annual Meeting - A Call for Candidates!

Do You Want to Help Shape the Future of Your Credit Union?

Your Board of Directors is made up of member volunteers. They are your co-workers, friends, or family. They choose to serve because they believe in the fundamental principle of a cooperative financial organization that serves its members. Are you ready to serve?

Three positions are serving a three-year term open for the MariSol Federal Credit Union's Board of Directors. Eligibility requirements are:

1. A director candidate must have served a minimum of one (1) year on a MariSol Federal Credit Union committee.
2. You must meet the financial responsibilities, as stated in the Volunteer Policy. A copy of the Volunteer Policy is available upon request. Please email rhampton@marisolcu.org
3. You must be 18 years of age.

Anyone interested must submit a written letter of intent and a completed MariSol Volunteer Application to attention Rusty Hampton. To obtain a MariSol Volunteer application, email rhampton@marisolcu.org. All requests to be received by Tuesday, February 4th, 2020 by mail or emailed to rhampton@marisolcu.org

The three incumbent Board members running are:

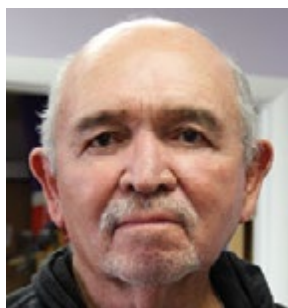

Mary Harden: I am a proud volunteer for our credit union and been a member since 1981, then serving as a Board member since 2003. I am also an elected Board member of the Valleywise Health District. Our goal as board directors is to help you, our member with your financial health. MariSol

is part of the community and has been since 1954. We are here for you because we are you. Our Mission Statement says it all. Empowering our members through financial inclusion by access to affordable and equitable financial solutions. Thank you for all the years you have supported MariSol. I look forward to serving you for many more.

Jim Vigil: I feel another term would give me the time to fulfill the goals and plans of the current board of directors. Our board strives to serve our members' individual financial needs with understanding and care. MariSol Federal Credit Union is a respected financial institution. As a Director, I consider the financial needs of our membership with understandings and care. As

a credit union, our goal is to meet those needs with respect and resolve issues with dignity. Thank you all for your support as your representative during the years. May we all continue to prosper as members of MariSol Federal Credit Union.

Rick Lucero: I was raised in the community we serve, as well as an employee of Marisol Federal Credit Union. I strongly believe in the efforts and vision the credit union has. It has been a pleasure being a board member, and I feel all the board members are committed to the goals of the credit union. I was the Commander of American

Legion Post 41 for two years, which is also committed to this community that we serve. I am currently the Senior Vice Commander for District 12 (American Legion) of the State of Arizona, which serves 22 American Legion Posts. I have been involved with Congressman Ruben Gallegos' Veterans Out-Reach program for the last two years. I volunteer with 'Veterans Helping Veterans', whose goal is keeping veterans from becoming homeless. It would be an honor to continue being a Board Member.

Effective 02/01/20

ALL Kasasa checking accounts will change.

- At least one direct deposit (ACH or automatic credit transaction) must post and settle to your checking account per monthly qualification cycle. That deposit must equal \$500.00 or more. Multiple ACH or automatic credit deposits will not be summed to reach the \$500.00 minimum. No refund transactions in any amount posted to your account will be considered a direct deposit.
- ATM fee reimbursement will be up to an aggregate total of \$7.50, not \$15.00 if the account is eligible for rewards.
- Kasasa Cash Back will earn 2% cash back on up to a total of \$250.00 debit card purchases that post and settle to the account during the cycle period up to maximum cash back earned of \$5.00 per month, not 3% for maximum cash back of \$7.50.
- All other terms and conditions are unchanged.
