Annual Meeting – Board Elections:

The Nominating Committee of MariSol Federal Credit Union is pleased to announce the 2021 candidates for election to the Board of Directors for three-year terms. Candidates have met all eligibility requirements.

Lisa Bernhardt - *Incumbent - Three-year term*

I have served on the Board since 2009 and am seeking another term so that I can continue to be a part of the good work MariSol does for its members and the communities in which we live. The past year has been a testament to that commitment, and I am proud to be associated with MariSol. I currently serve as Board Chair and would be honored to

continue to represent the credit union family as we strive to empower our members through financial inclusion by access to affordable and equitable financial solutions.

Laura Weygandt - *Incumbent - Three-year term*

I have served on the MariSol Board for eight years and the MariSol Supervisory Committee for nine years. I have over 25 years of experience in the financial services industry, and I am proud to be part of the MariSol family. I am honored to serve on the MariSol board by offering guidance and support to the MariSol staff and contribute to improving the communities that they serve. Thank you for your consideration to represent you.

Francisca Montoya - *Three-year term*

I am a candidate for the 2021 MariSol Credit Union Board of Directors. I have been a credit union member my entire adult life. With over 25 years' work experience in the non-profit and financial sectors, I have witnessed how critically important credit unions are to the community, providing much needed services and

products for members to establish banking relationships and build credit history. I fully support MariSol's mission to help members find financial solutions to help celebrate life and would be honored to serve on the board.
