There is so much more to MariSol than Loans

MariSol wants to meet the needs of our members and stay true to our mantra of offering financial solutions uniquely tailored to our community. Here are some products and services that could benefit you.

NEW Cash Rewards Checking Earn up to \$5 each month

Use your debit card to purchase items you need to buy every day anyway — gas, groceries, fast food, and more. Earn \$5 each month when you transact at least 25 debit purchases, make one Direct Deposit of \$700 to a checking or savings account, and log in to online banking or mobile banking once a month.

Transfer Money the Easy A2A Way

Transfer money to and from MariSol and other financial institutions. It's a free service that makes life easy. Check Online Services at marisolcu.org for a how-to video.

Rainy Day Savings

Saving for an emergency is one of the best reasons to stay out of debt. So, when the car breaks down, a rainy day fund can keep you from piling on debt. Open a Club Savings Account with as little as \$5. Set up automatic direct deposits, weekly, bi-weekly, or monthly and forget about it.

Build or rebuild your credit score while earning dividends

If that sounds crazy, please read on. We have put ourselves out there to help you build your credit score while you earn dividends on your initial deposit.

1. Open a Savings Secured Mastercard with as little as \$550. Get a \$500 line of credit. As you spend down your credit line, you're building your credit score up with every on-time payment you make. Or,
2. Open a Savings Secured Account with \$500. Take out a \$500 loan. Use it for whatever you need.

As long as you make your payments on time, you'll bump up your credit score and earn dividends with either option you choose.

Did you know we can help with:

- Identity Protection
- Wire Transfers
- Safe Deposit Boxes
- Money Orders and Cashier's Checks

We care about our communities

MariSol participates in opportunities that make a difference by supporting local charities. Our Community Room is active once again. We are proud to partner with Phoenix Food Co-op (phxfood.coop). On the second Friday of each month from 8 am to noon, our room is used as a pick-up location.
