Looking for  
another home?  
Tap into your  
Equity instead.

Home Prices are at an all-time high, and interest rates are climbing. More and more of our members have decided to stay put and invest in updating their homes using their equity instead.

Getting the right loan and term at the lowest interest rate makes sense, so MariSol offers our members several different loan types.

## Elections

MariSol held its 68th Annual Meeting on April 26th via zoom. Our earnings were strong, our lending grew, and our members saved their money at a record pace.

In a year of continual change, MariSol focused on the concepts of sustainability and diversity.

The board is optimistic that our 69th meeting will be in person. Thank you to the members that got up early for the meeting! Congratulations to our re-elected board members:

- Ken Stahl
- John Werbach
- Jessica Bueno

### *Jim Vigil*

*The board must sadly report that Jim Vigil, Board Director made his transition in April 2022. Jim was born in Phoenix and gave back to his beloved community each day. He served on the MariSol Board as well as Chicanos Por La Causa, La Victoria Foundation and Tiempo. He retired from Maricopa County in 2009. Jim was also a proud Army veteran who loved spending time at American Legion Post 41. He was a man of great integrity. We share a favorite photo of Jim and his beloved wife Paula at the MariSol groundbreaking ceremony.*

*The board honors the 12 years he spent on the board, and he will be missed.*
