## Hope it doesn't suck.

**If the car dealer gives you the creeps ... maybe it's time to try our online auto buying center.**

Don't get tricked by dealer financing. Auto dealers have lots of gimmicks up their sleeves to make the most of every car sale. If you're not careful, you can wind up paying more for your vehicle than you need to.

MariSol can get you a great deal on wheels. **Save 1% off your rate** when you set your car payments on automatic with payroll deduction or automatic transfer from a MariSol account.

**Before you shop, visit MariSol's [Member Auto Shopping Center!](#)**

**Shop, compare, and finance all in one place**

- Research thousands of cars from local dealers
- Fast online pre-approval from MariSol
- Find your car's trade-in value
- Free CarFax®
