## Robin goes to Washington.

Our CEO, Robin Romano, received an exciting invitation to speak for the US Department of Treasury. Robin shared information about our energy-efficient and solar loans, especially for low and moderate-income borrowers. We are thrilled to have this opportunity to highlight our efforts. It was an opportunity to learn about the Greenhouse Gas Reduction Fund from the EPA and how those funds will become available to serve our community. MariSol was the only lender invited to speak. The meeting was led by Senior White House Advisor Jon Podesta, the President's Senior Climate Advisor.

## Celebrating 70 Years Together

Our Annual Meeting was a special occasion, celebrating 70 years of service in the community. We are proud to have helped our members navigate their finances through every life stage event.

**Congratulations to our re-elected board members:**  
**Lisa Bernhardt**, Vice Chair  
**Laura Weygandt**, Treasurer  
**Francisca Montoya**, Director

*A big thank you to all the members who attended! For all our members we appreciate you for choosing MariSol, we couldn't have made 70 years without you.*
